AIFEP PURPOSE

To support individuals promoting positive change in their life, family and community; working to be of service to their community, connected to their culture and to have their potential realized.

The final report is intended to help us learn from your AIFEP grant experience and demonstrate the importance of this program and how it helps individuals attain educational achievement, economic self-sufficiency and preserving and renewing cultural connections.

Check the goal for which you were awarded:

- Goal 1: Preserving and Renewing Cultural Connections
- Goal 2: Educational Achievement
- Goal 3: Economic Self Sufficiency

Please respond to the following questions:

1. What was your grant intended to support?
2. Were there any unanticipated challenges or opportunities encountered during your planned activities?
3. As a result of this grant, how has your life changed?
4. How do you see yourself carrying forth the work of the Tiwahe Foundation?

Please share any pictures of family, graduation, art, and activities. Submit pictures with your final report.

Tiwahe Foundation would like to share your story related to your AIFEP Grant. We are gathering stories like yours to help Tiwahe Foundation inspire others to support our work. These stories may be shared through our general communications materials and website.
